

UEE31411 Certificate III in Security Equipment

National ID: UEE31411 | State ID: A128

About this course

Are you looking for a security career with current skills?

When you complete the Certificate III in Security Equipment you'll be looking at a career as an **security equipment tradesperson**.

You will gain the knowledge and practical skills to work effectively in the security industry, **installing large and small security systems**, including **CCTV**.

The Certificate III in Security Equipment is an apprenticeship, please see the Apprenticeships section for more information.

Gain these skills

- Program and commission commercial security and closed circuit television systems
- Troubleshoot circuits
- Work with wired and wireless systems
- Work with drawings, diagrams, schedules, standards, codes, and specifications
- Workplace health and safety

Is this course right for me?

I have the following attributes:

- Good communication skills
- Able to follow plans and instructions, and solve problems
- Good hand-eye coordination
- Enjoy and have an aptitude for technical and engineering activities
- Honest and trustworthy

Overview

Semester 2, 2019

Balga - Apprenticeship

Duration: **8 Semester/s**

When: **Semester 2, 2019**

How: **A
O**

Units

Core

Unit Title	National ID
Participate in security equipment work and competency development activities	UEENEEC026B
Apply Occupational Health and Safety regulations, codes and practices in the workplace	UEENEEE101A
Fabricate, assemble and dismantle utilities industry components	UEENEEE102A
Solve problems in d.c. circuits	UEENEEE104A
Fix and secure electrotechnology equipment	UEENEEE105A
Use drawings, diagrams, schedules, standards, codes and specifications	UEENEEE107A
Lay wiring/cabling and terminate accessories for extra-low voltage (ELV) circuits	UEENEEE108A
Document and apply measures to control OHS risks associated with electrotechnology work	UEENEEE137A
Troubleshoot resonance circuits in an electronic apparatus	UEENEEH114A
Assemble and set up basic security systems	UEENEEH150A
Install large security systems	UEENEEH151A
Enter instructions and test wired and wireless security systems	UEENEEH152A
Apply environmentally and sustainable procedures in the energy sector	UEENEK142A

Elective

Unit Title	National ID
Install and maintain cabling for multiple access to telecommunication services	UEENEEF102A
Program and test large security systems	UEENEEH153A
Program and commission commercial security systems	UEENEEH154A
Program and commission commercial access control security systems	UEENEEH155A
Program and commission commercial security closed circuit television systems	UEENEEH156A

School Leaver	Non-School Leaver	AQF
OLNA or NAPLAN 9 Band 8	C Grades in Year 10 English and Maths or equivalent	Certificate I or Certificate II

You must be employed in a training contract by an appropriate organisation to study.

Job opportunities

[Security System Installer | Electronic Equipment Trades Worker \(Security Technician\)](#)

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

Fees and charges

View our [Indicative Fees list](#)

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

**North
Metropolitan**

*We're working for
Western Australia.*

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
