52700WA Certificate II in Plumbing (Plumbing Pre-Apprenticeship)

About this course

Does your career pipe dream involve real pipes?

When you complete the Certificate II in Plumbing (Plumbing Pre-Apprenticeship) you'll be what employers are looking for as an apprentice plumber, roof plumber, or gasfitter.

You will gain the knowledge and skills to work effectively in the construction industry, use hand and power tools, oxy-acetylene and arc weld, read plans, calculate quantities, cut and join sheet metal, work safely at heights, and workplace health and safety.

North Metropolitan TAFE is a major centre in WA for training in the building and construction industries, with purpose-built workshops, up-to-date equipment, and lecturers who maintain close links with industry.

We will be offering 10-week programs at each of our two locations, Balga and Clarkson and applicants will be placed into groups.

Balga Campus
Group D, Mon 20 July 2020 - Fri 25 September 2020
Group E, Mon 5 October 2020 – Fri 11 December 2020

Clarkson Campus
Group 3, Mon 20 July 2020 – Fri 25 September 2020
Group 4, Mon 5 October 2020 – Fri 11 December 2020

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey. This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a
combination of these, depending on which is most appropriate.

**Further study**

Successful completion of this qualification provides you with the opportunity to become an apprentice, but you need to be registered with the The Apprenticeship Office and employed.

**Job opportunities**

Plumber’s Assistant | Drainage, Sewerage and Stormwater Labourer

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

Successful completion of this qualification provides you with the opportunity to gain an apprenticeship in the plumbing and gas fitting trade. You will need to be employed and registered as an apprentice before you can commence apprenticeship training.

**Important information**

Students must always be work ready and this means the following is required:

- steel capped boots with heavy leather uppers must be worn at all times - no joggers/trainers/gym shoes
- protective eye wear (Australian Safety Glasses) - clear glasses (tinted only allowed for outdoor use).
- 100% cotton workwear - long sleeved shirts and long pants
- A4 notepad, red, black and blue pens, 2 pencils, eraser and yellow highlighter, 8m tape measure

Students who do not wear the appropriate footwear, clothing and eye protection will not be able to participate in training.

Other costs for consideration:

- Students are required to provide all relevant Personal Protective Equipment (PPE) for workshop activities.

**Typical timetable:**

- 8:00am to 3:45pm Monday to Friday
• 4 weeks Work Placement is required to be done as part of the Pre-Apprenticeship programme

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](https://www.tafeinternationalwa.com) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
