

# CUA60615 Advanced Diploma of Screen and Media (Games Development)

National ID: CUA60615 | State ID: AB21

## About this course

### Let your skills take you to the next level

Game artists build the **environments**, **characters** and the **vehicles/props for games**.

As well as providing hands-on **artistic and technical** training in game art, this Advanced Diploma delves into **designing games** and **scripting game interactions**.

By the end of this course you'll have created **a showreel of work** and produced **a game** of your own.

You'll benefit from our strong industry connections and have the opportunity to showcase your work to many of the largest studios in Perth at the end of year Expo.

You will be equipped to be competitive in the global market, using the same software and work practices employed by top games and animation studios all over the world.

### Gain these skills

The course is 100% practical and you will develop your creative abilities in:

### Local full time students

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

### International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

**Please note, fees are subject to change.**
