

52824WA Certificate II in Building and Construction (Pathway - Trades) (Wall and Floor Tiling Pre-Apprenticeship)

National ID: 52824WA | State ID: AB28

About this course

Do you have an eye for detail and want your work on show?

When you complete this pre-apprenticeship you'll be what employers are looking for as an apprentice **wall and floor tiler**. Give yourself a **better chance of gaining an apprenticeship** and a flying start in learning a trade.

Wall and floor tilers may work **internally and externally** over a variety of surfaces - vertical, horizontal, sloping or curved. They prepare surfaces and apply tiles for **decoration and protection**.

Gain these skills

- Lay ceramic, clay, slate, marble and glass tiles
- Interpret plans
- Measure and calculate the right amount of materials for the job
- Work with scaffolding safely at heights
- Workplace health and safety

Is this course right for me?

I have the following attributes:

- Aptitude for practical work and for following plans
- Good vision and hand eye co-ordination
- Able to do basic mathematical calculations
- Good physical fitness
- Good communication and interpersonal skills for dealing with customers
- Very precise and careful with work

Details

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online learning, virtual classrooms (live web conferencing with your lecturer and class) and classroom delivery, as well as practical and work experience placements.

Lecturers will provide specific instructions to their student groups on how training will be undertaken.

Entrance requirements

School Leaver	Non-School Leaver	AQF

Further study

Successful completion of this qualification provides you with the opportunity to become an apprentice in the building and construction industry, but you need to be registered with the The Apprenticeship Office and employed.

Job opportunities

[Wall and Floor Tiler Assistant](#)

Completion of this course will improve your chance of getting a wall and floor tiler apprenticeship.

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

**North
Metropolitan**

*We're working for
Western Australia.*

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
