

Diploma of Visual Arts (Product Design)

State ID: AB60

About this course

Take your product design skills to the next level

The Diploma of Visual Arts (Product Design) will **develop your design skills** and knowledge through **hands on projects** that require you to take your ideas all the way from **concept to prototype**. It is taught in our extensive purpose-built facilities and **specialised studios based in the creative and cultural heart of the city** that is home to the Art Gallery of WA, PICA and many other smaller galleries.

This course offers a diverse exploration of the **3D design** industry where you will have the opportunity to create consumer products such as furniture, home wares, commercial objects and wearable object design.

Successfully complete the Diploma and you could find yourself designing high end furniture, or products for the home or commercial use.

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used

by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
