

ICT30118 Certificate III in Information, Digital Media and Technology (Web Technologies)

National ID: ICT30118 | State ID: AB79

About this course

Are you looking for a 21st Century Digital Media Career?

When you complete this qualification you will have the **fundamentals of programming and web development** with key subjects specialising in **web design** and business focused **application development**.

Pathways into our Certificate IV and Diploma level courses progress you into a career as a Web Developer, Mobile App Developer or an Applications Programmer.

North Metro TAFE is an authorised Cisco Academy, and Microsoft Imagine Academy; you can also **gain valuable industry Cisco and Microsoft certifications**. You will gain these certifications at no extra cost to you

In addition at our Joondalup campus we offer you the opportunity to gain a **dual qualification** during your study. You can complete this qualification and the ICT30118 Certificate III in Information, Digital Media and Technology (Network Administration), talk to staff when you enrol.

Benefits of the dual qualification include:

- Broadening your employment opportunities within the IT sector
- Furthering your skills to qualify you for a range of higher level qualifications
- Only need to enrol in one extra cluster of units to do the combined course

Please note

Joondalup delivers in both Semester 1 & Semester 2.

Northbridge only delivers in Semester 2.

Gain these skills

- OS installation and diagnostics
- Programming in an industry current programming language
- Website development using Adobe products
- Microsoft Office suite

Is this course right for me?

I have the following attributes:

- Strong client focus and a desire to assist others
- Methodical, disciplined and technically minded
- Excellent analytical and problem-solving skills
- Good communication skills

Details

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online learning, virtual classrooms (live web conferencing with your lecturer and class) and classroom delivery, as well as practical and work experience placements.

Lecturers will provide specific instructions to their student groups on how training will be undertaken.

Semester 2, 2020

Perth (Northbridge) - On Campus

Duration: **1 Semester/s**

When: **Semester 2, 2020**

How: **On campus**

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
