

HLTSS00067 Infection control Skill Set (Transport and Logistics)

National ID: HLTSS00067 | State ID: AE113

About this course

Protect yourself and others in the transport and logistics sector from infectious diseases

The pandemic has highlighted the importance of building the capacity and understanding of the workforce to **practice safe infection control procedures**. This skill set will provide you with the skills and knowledge to assist in protecting yourself and others in the community from infectious diseases.

You will understand how infections are spread, ways of preventing the spread of infection and how to protect yourself and others from infection. It is most suited for those that are working in the **transport and logistics sector**.

This **online** course allows you to undertake studies within your own timeframe. You will receive a short induction and ongoing support from your lecturer. Once you have completed the online study component you will be required to book into a four hour practical lab session at our Mount Lawley campus where you will practice skills and undertake a workplace assessment.

Gain these skills

- Using personal protective equipment safely
- How to prevent the spread and transmission of infection
- Maintaining a clean work environment

This skill set is free for everyone.

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

Job opportunities

[To explore job profiles](#)

This course does not lead to a specific job outcome but will be helpful if you are working, or would like to work, in the transport and logistics sector.

Important information

Credit for this unit can be used in many health qualifications.

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in

which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
