

Work Safety in Construction Skill Set

State ID: AE159

About this course

Construction work is happening all across WA, and builders need skilled workers who are ready to get on the worksite

The Work Safety in Construction skill set will get you **job ready for entry level roles in the construction** field, such as trades assistant (TA) or general labourer, and it covers how to follow mandatory work health and safety requirements in accordance with safety legislative requirements as well as infection control and prevention procedures to ensure you're working safely.

You'll learn how to **use a range of construction equipment and tools** including levelling devices, skills to work in a construction team, and basic construction work applications for new and existing structures including residential homes, units and apartments.

Lower fees, local skills half-price further study pathways

- [Certificate III in Bricklaying/Blocklaying](#)

Other qualifications for further study include the following.

Important information

Students need to wear personal protective equipment (PPE).

Timetable

Starts 14 September: 2 weeks, Monday to Friday, 8:00am – 3:45pm

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
