HLT52015 Diploma of Remedial Massage
National ID: HLT52015 | State ID: AWI6

About this course

Get national accreditation as a health care provider

This course will provide you with the latest remedial massage techniques. Whilst studying you will practice in a variety of clinical and sporting environments with clients ranging from people with disabilities to elite athletes - we are affiliated with Western Australian professional sporting teams such as the Perth Wildcats, Perth Lynx, Perth Glory, Fremantle Dockers and the WA Female AFL Academy.

You will have access to facilities and resources including an on-campus library, student support services and the University of Western Australia’s wet labs.

A compulsory and highly valuable part of our course is a weekly supervised shift in the Live-Works Clinic.

On completion of this course you are able to apply for and receive a private health care provider number from the nationally accredited massage associations.

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.
**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

**International Students**

Check [TAFE International WA](https://www.tafeinternational.wa.edu.au/) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

**Please note, fees are subject to change.**
