If on-campus study is not your preference, then online study is a great option. Rest assured you will be supported by your online lecturers. You will also have access to lecturers via your online dashboard. The lecturers will help to clarify your concerns, assist with the course content, mark your assessments and provide you with feedback if required.

**Qualifications are broken down into stages with an intensive practical skills workshop run at the end of each stage.** You will only need to enrol and pay for one stage at a time.

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used
by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

**International Students**

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

*Please note, fees are subject to change.*
