National ID: HLT33015 | State ID: AWK5

About this course

**LOWER FEES
LOCAL SKILLS**

This qualification is part of the [Lower fees, local skills](#) program where you'll pay only half of the standard course fees.

Working alongside allied health staff is a growing industry

Gain the skills to **assist allied health professionals** (physiotherapists, occupational therapists and speech pathologists) with the implementation of maintenance **therapy programs** to improve a client's quality of life.

During this course you'll learn how to work with children, adults and older people with a range of physical disabilities, mental health conditions, developmental delays, communication difficulties and/or social disadvantage. You will have access to a team of allied health professionals who are able to share their experiences and support your learning throughout the course.

Online learning makes up part of the course delivery and access to online resources to reinforce classroom learning is also provided. You will be supported in learning the required knowledge and skills through classroom discussions and simulation activities before undertaking a **full-time work placement**.

As a successful graduate you'll have a wide range of job options depending on where your passions lie and you may gain employment in both **public and private health settings** such as hospitals, aged care facilities, schools, mental health clinics, private practices and not for profit organisations.

Gain these skills

- Therapeutic interventions

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
