- Personal Trainer

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

Important information

The qualification does not provide the skills and knowledge for an individual to provide advice or exercise instruction to high risk clients, other than to refer the client to an appropriate medical or allied health professional.

Classes are conducted face to face over 3 to 4 days (Tuesday - Friday) each week.

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
