

# RII20215 Certificate II in Surface Extraction Operations

National ID: RII20215 | State ID: AZC3

## About this course

### Get your mining career off the ground

This course will give you a solid foundation to work as an operator on sites such as a quarry or an open cut metalliferous mine, undertaking a prescribed range of tasks involving known routines and procedures, and taking some responsibility for the quality of work outcomes.

### Gain these skills

- Maintain and monitor site quality standards
- Position and set up mobile lighting
- Undertake conveyor and crushing processes
- Operate light vehicles

### Is this course right for me?

I have the following attributes:

- Comfortable working in a physical environment
- Enjoy practical/manual activities
- Able to work as part of a team
- Able to adhere to strict safety requirements

## Details

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online learning, virtual classrooms (live web conferencing with your lecturer and class) and classroom delivery, as well as practical and work experience placements.

Lecturers will provide specific instructions to their student groups on how training will be undertaken.

## Entrance requirements

School Leaver	Non-School Leaver	AQF
OLNA or NAPLAN 9 Band 8	C Grades in Year 10 English and Maths or equivalent	Certificate I or Certificate II

## Job opportunities

[Miner | Mining Plant Operator](#)

Other job titles may include:

- Operator Mine Sites

*Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.*

## Important information

Registration or licensing may be required.

You will need to be working as a mine operator on a mine site to be able to complete this qualification.

## Fees and charges

### Local full time students

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

### International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

**North  
Metropolitan**

*We're working for  
Western Australia.*

**Please note, fees are subject to change.**
