About this course

This qualification is part of the Lower fees, local skills program where you'll pay only half of the standard course fees.

Activate your career in events

Events enrich our culture and are held to educate, celebrate, inform and entertain.

The Certificate III in events will give you the skills to assist in managing events, from the planning through to show day and the follow up after the event.

You'll be introduced to industry standard technologies for lighting, sound and audio-visual and begin to develop your creative skills so you can deliver professional events to your clients.

Gain these skills

- Participate in safe work practices
- Process and monitor event registrations
- Provide service to customers
- Show social and cultural sensitivity

**Fees and charges**

**Local full time students**

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

**International Students**

Check [TAFE International WA](http://www.tafeinternationalwa.wa.edu.au) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

**Please note, fees are subject to change.**
