

AHC40916 Certificate IV in Conservation and Land Management

National ID: AHC40916 | State ID: BCZ9

About this course

Land a lead role in conservation

Certificate IV in Conservation and Land Management will provide you with the practical skills and knowledge to **lead and coordinate conservation and land management activities**. You will learn about the various areas of the industry such as land management, natural resource management, mine site rehabilitation, forestry and national parks.

Certificate IV in Conservation and Land Management allows individuals to **develop post-trade skills** and knowledge across a broad coverage of the industry prior to undertaking higher level roles in the industry.

You may be able to attain a **dual qualification** incorporating this qualification and **with the Certificate IV in Horticulture**, talk to staff when you enrol.

Gain these skills

- Collecting and classifying plants
- Developing management plans and conservation strategies
- Conducting biological surveys
- Meeting legislative requirements
- Planning river restoration works

Is this course right for me?

I have the following attributes:

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

Fees and charges

View our [Indicative Fees list](#)

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be

given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
