

# Certificate III in Landscape Construction

State ID: BDB7

## About this course

### Get creative in green

This qualification will provide you with the practical skills and knowledge to **design garden landscapes** or **renovate existing gardens**. It will also further develop skills gained in AHC21616 Certificate II in Landscaping or AHC20416 Certificate II in Horticulture.

**The Certificate III in Landscape Construction can be studied as an apprenticeship, please see the Apprenticeships section for more information.**

### Gain these skills

- Select materials and plants for landscape projects
- Set out and landscape a range of sites
- Construct stone, brick, block and timber structures and features

### Is this course right for me?

I have the following attributes:

- Comfortable working in a physical environment and outdoors in all kinds of weather conditions
- Unaffected by allergies to chemicals and plants
- Able to work in a team

AHCDRG301	Install drainage systems
AHCLSC301	Set out site for construction works
AHCLSC302	Construct landscape features using concrete
AHCLSC303	Construct brick and block structures and features
AHCLSC305	Construct stone structures and features
AHCLSC306	Implement a paving project
AHCLSC307	Implement a retaining wall project
AHCPM302	Provide information on plants and their culture
AHCPGD301	Implement a plant establishment program
AHCSOL303	Implement soil improvements for garden and turf areas
AHCWHS301	Contribute to work health and safety processes

### Elective

National ID	Unit Title
AHCCHM304	Transport and store chemicals
AHCIRG331	Install pressurised irrigation systems
AHCPMG301	Control weeds
AHCCHM303	Prepare and apply chemicals

## Entrance requirements

School Leaver	Non-School Leaver	AQF
OLNA or NAPLAN 9 Band 8	C Grades in Year 10 English and Maths or equivalent	Certificate I or Certificate II

To study the **apprenticeship** you must be employed in a training contract by an appropriate organisation.

## Job opportunities

[Landscaper | Gardener \(General\)](#)

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

## Fees and charges

View our [Indicative Fees list](#)

### Local full time students

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

### International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.
