

AHC31416 Certificate III in Conservation and Land Management

National ID: AHC31416 | State ID: BDC1

About this course

Working in the Conservation and Land Management Industry is for people who would love to work in a practical, outdoor environment and appreciate the value in restoring natural bush land, coastal and aquatic areas. This course is designed to give you the foundation skills and knowledge needed within the conservation industry, to enter the work force in either private, local or state government sectors.

You may be able to attain a dual qualification incorporating this qualification and the [Certificate III in Horticulture](#), talk to staff when you enrol.

Fees and charges

View our [Indicative Fees list](#)

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
