AHC50416 Diploma of Horticulture

National ID: AHC50416 | State ID: BDD0

About this course

Take your horticulture career to new heights

This course will develop the skills you need to design, plan, implement, manage and evaluate horticultural operations and processes to effectively manage and maintain public and private parks, reserves, gardens, natural bushland and community recreation areas. This will include developing your skills in how to establish and manage a horticultural business or project, which includes preparing estimates, quotes and tenders; selecting plants and landscape solutions; managing plant health programs; developing production plans; and managing staff and services.

Completing an additional two units with the Diploma of Horticulture will see you gain a dual qualification, incorporating the Diploma of Conservation and Land Management, talk to staff when you enrol.

Gain these skills

- Plant nutrition and health
- Propagation and recognition of plants
- Landscape design, products and services
- Business management and administration

Is this course right for me?

I have the following attributes:

- An appreciation of nature and able to work outdoors
- Comfortable working in a physical environment
- Practical skills and the ability to undertake manual labour
- Problem solving and organisational skills

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome
for your learning journey. This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

*Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.*

**Fees and charges**

**Local full time students**

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.
International Students

Check TAFE International WA to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
