

MSF60118 Advanced Diploma of Interior Design

National ID: MSF60118 | State ID: BED2

About this course

Its what's on the inside that counts

This qualification will give you the practical skills and knowledge to find **creative and technical solutions** for built interior environments.

Interior design includes planning and detailing complex residential, hospitality, retail, commercial and institutional **design projects with an emphasis on space creation and spatial planning**. Interior designers consider aesthetics, function, branding, manufacturing, marketability and construction of **interior spaces**, including materials and sustainable environments and special needs for the benefit of the user.

You will learn to **adapt global design trends** and **technical innovations**, while **developing contacts** with interiors sources, products, and suppliers.

Graduates may work as an interior designer for interior design and architectural practices, or become self-employed design consultants. And **employment opportunities are good in the commercial sector** including interior decoration work in office-fit outs for large businesses.

The Advanced Diploma of Interior Design is a great precursor to further study at University. With a higher qualification you can improve your earning potential and employment prospects.

North Metropolitan TAFE is an Educational Member of DIA. This qualification is listed as a DIA recognised course on their [website](#).

Gain these skills

- Work on design projects
- Consider aesthetics, functionality, space planning, construction, materials and finishes
- Complete designs for commercial/institutional interiors
- Create digital presentations
- Research and keep up with current design trends
- Develop sustainable designs

Is this course right for me?

I have the following attributes:

- Creativity, imagination and artistic flair
- Ability to work to a client's needs and guidelines
- Good communication and listening skill
- Good colour sense and an eye for detail
- An aptitude for illustration and technical drawing
- An understanding of building construction

Details

Semester 1, 2020

Perth (Northbridge) - On Campus

Duration: **2 Semester/s**

When: **Semester 1, 2020**

How: **On campus**

Units

Core

National ID	Unit Title
BSBDES302	Explore and apply the creative design process to 2D forms
BSBDES303	Explore and apply the creative design process to 3D forms
BSBDES502	Establish, negotiate and refine a design brief
BSBDES601	Manage design realisation
MSFID4013	Design residential interior lighting

National ID	Unit Title
MSFID4014	Produce digital models and documentation for interior design projects
MSFID4016	Design colour schemes for interior and exterior spaces
MSFID5020	Design residential interiors
MSFID5021	Evaluate site structure and services for interior design briefs
MSFID5022	Explore and apply creative design methodology to interior space
MSFID5024	Design workplace interiors
MSFID5025	Develop residential interior design project documentation
MSFID6010	Design commercial interior lighting
MSFID6011	Resolve complex spatial design problems through modelling
MSFID6018	Apply 3D digital visualisation techniques to represent interior designs
MSFID6020	Develop commercial interior design project documentation

Elective

National ID	Unit Title
BSBDES304	Source and apply design industry knowledge
BSBDES401	Generate design solutions
BSBDES602	Research global design trends
BSBMKG537	Develop a social media engagement plan
CUAACD301	Produce drawings to communicate ideas
CUAACD303	Produce technical drawings
CUADES403	Research and apply techniques in spatial design
CUAILL401	Develop and refine illustrative work
CUAPPR503	Present a body of own creative work
CUAPPR504	Establish and maintain environmentally sustainable creative practice
CUAPPR602	Collaborate in professional creative projects

National ID	Unit Title
MSFID4012	Decorate residential interiors
MSFID4017	Research and recommend furniture and accessories
MSFID4018	Research and recommend hard materials and finishes for interiors
MSFID4019	Research interior decoration and design influences
MSFID4021	Design soft furnishing solutions for interior spaces

- Self-employed Design Consultant
- Design Project Administrator
- Design Manager

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

Fees and charges

View our [Indicative Fees list](#)

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
