Pesticides Skill Set (Level 3)
State ID: EAA14

About this course

Meet the requirements for pest industry licensing

This Skill Set has been designed to meet the Department of Health requirements to gain a Pest Management Technician Licence to treat mainly weeds and other minor pests in lawns and gardens, landscaping, bushland or minesite rehabilitation.

For further information regarding the technician licence and requirements visit the Department of Health website.

Gain these skills

- Use small, portable hand held operated sprayers such as a knapsack or back pack, to control weeds and and other minor pests
- Prepare and apply chemicals
- Transport and store chemicals

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.
This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.
