

RII30515 Operate & Maintain a 4WD Skill Set

National ID: RII30515 | State ID: EAA52

About this course

If you are **looking for work at a mine site** or you are already **working onsite**, or simply want to broaden your skillset we can help you gain the **basic skills to drive and maintain a 4WD in an environment beyond the city streets**.

This one and a half day four wheel driving course will introduce you to the vehicle skills you need to work in many different industries including the **geological and mining industries**. This course will give you time behind the wheel and prepare you for routine and emergency situations while operating a 4WD vehicle. You'll start at our East Perth campus before going to experience some four wheel drive tracks on the outskirts of Perth.

A **manual drivers licence** is a prerequisite for this course.

You'll need to wear steel capped boots, a hat, long sleeved shirt and long pants. On the first day you'll be able to buy food and drink in and around our East Perth campus, on the second day you will need to bring your own lunch and water bottle.

On successful completion of this course you will receive a Statement of Attainment for **RII30515-SS-A (RIIVEH305E) Operate and Maintain a four wheel drive vehicle**.

Download our [4WD flyer](#) for more details.

Fees and charges

View our [Indicative Fees list](#)

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
