

Mining Field Operation Skill Set

State ID: EAA54

About this course

This Mining Field Operations skill set will help you gain the skills and knowledge needed to live, work, and operate in the field. You'll also cover the safety and communication requirements for employment in the resources sector.

The units included in this skill set are delivered in two groups or clusters:

Mining Safety (2 hours per week)

- RIIWHS201D Work safely and follow WHS policies and procedures
- RIIRIS201D Conduct local risk control
- RIICOM201D Communicate in the workplace

Mining Field Logistics (5 hours per week)

- RIIENV201D Identify and assess an environmental and heritage concerns
- RIIEGS201D Operate in isolated and remote situations
- RIIEGS302D Plan and undertake field trip
- RIIENG305D Navigate in remote or trackless areas

To have the best chance of finding a job in the mining industry we recommend that you undertake this skill set concurrently with North Metropolitan TAFE's **RII305115-SS-B Geological Assistant** skill set.

Please note a compulsory 4-day camp on an exploration site forms part of the requirements for completion of the Mining Field Operations skill set.

We strongly advise that you obtain a manual driver's licence to increase your employability in the mining industry and also recommend that you complete the two day 4WD driving course North Metropolitan TAFE offers (**RII305115-SS-A Operate and maintain a four wheel drive vehicle**). This particular course gives you an introduction to 4WD driving.

RIIWHS201D	Work safely and follow WHS policies and procedures

Fees and charges

View our [Indicative Fees list](#)

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units

you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
