

AHC31416 Pesticides Skill Set (Level 4)

National ID: AHC31416 | State ID: EAB02

About this course

Meet the requirements for pest industry licensing

This Skill Set has been designed to meet the Department of Health requirements to gain a Pest Management Technician Licence to **treat mainly weeds** and other **minor pests** in lawns and gardens, landscaping, bushland or minesite rehabilitation.

For further information regarding the technician licence and requirements visit the [Department of Health website](#).

Gain these skills

- Use small, portable hand held operated sprayers such as a knapsack or back pack, to control weeds and other minor pests
- Develop procedures to minimise risks in the use of chemicals
- Control plant pests, diseases and disorders
- Plan and implement a chemical use program

Fees and charges

View our [Indicative Fees list](#)

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
