AUR20218 Automotive Air Conditioning Skill Set
National ID: AUR20218 | State ID: EAB06

About this course
Meet the licensing requirements for automotive air conditioning
If you have an automotive or other relevant qualification and require a Refrigerant Handling Licence then our Automotive Air Conditioning Skill Set is the ideal study pathway for you.

When you successfully complete this skill set you'll meet the training requirements to obtain a Refrigerant Handling License. Applying for a license is done through the Australian Refrigeration Council’s website www.arctick.org - see the Australian Refrigeration Council for further information about licenses.

This course is delivered through a combination of online study and on-campus practical components.

Fees and charges

View our [Indicative Fees list](#)

**Local full time students**

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

**International Students**

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
