

Clinical Care for Aged Care Workers Skill Set

State ID: EAB46

About this course

Gain the skills you need to equip you to provide a high level of care in the aged care sector

The Aged Care Standards highlight the importance of providing safe clinical care to residents with a focus on recognising individual client needs and assessing and reporting changes in a resident's condition. This skill set has been established to provide you with additional clinical skills and assessment skills if you are working within the aged care sector.

Residents within the aged care sector have increasingly complex health care needs and higher acuity levels. The skills gained from this skill set will enable you to work with and support the Registered Nurse in the assessment of clients and delivery of clinical care. The units have a focus on medication and recognising and reporting signs of deterioration in clients.

This skill set is most suited to those working within the aged care sector.

Gain these skills

- Medication competency
- A range of Clinical Assessment skills
- Documentation and reporting requirements
- Recognising and reporting signs of deterioration in clients

This skill set is related to the Skills Ready program. Other skill sets can be found on our [Courses](#) page, using the *Refine course results>Study mode* filters.

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

HLTAIN002	Provide non-client contact support in an acute care environment
HLTHPS006	Assist clients with medication

Important information

This skill set is most suited to those working within the aged care sector.

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be

given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
