

Meeting Consumer Dignity of Risk Needs in Aged Care Skill Set

State ID: EAB47

About this course

Enhance your aged care clinical and assessment skills

If you have completed a Certificate III or higher in the aged care sector, to provide direct client care or support, you can improve your knowledge by doing this skill set.

The Aged Care Standards highlight the importance of people in aged care settings having the right to choose what they do and how they live, despite the fact that these lifestyle choices may come with risk. You'll learn how to understand the risks involved and help to support those in your care with the choices they make.

You'll be provided with a range of scenarios to work through.

Gain these skills

- Understanding dignity of risk
- Supporting clients with their lifestyle choices

This skill set is related to the Skills Ready program. Other skill sets can be found on our [Courses](#) page, using the *Refine course results>Study mode* filters.

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](https://www.northmetrotafe.wa.edu.au/international) to confirm this course is available to international students. You will pay your tuition fees to TIWA.
