

Design Website Interfaces for Maximum User Experience Skill Set

State ID: EAB92

About this course

Gain an understanding of User Experience (UX), User Interface (UI), web hosting and Copyright and Ethics of the IT industry

On completion of this webiste you'll have the **UX** and **UI** knowledge and skills to plan and **design a website**.

You'll gain the following skills:

- Determine client business system requirements and verify the accuracy of the information gathered
- Design a website to specifications, within a particular technical and human interface environment (UI and UX)
- Determine a client's current and future internet service providers (ISPs) needs
- Maintain professional and ethical conduct, as well as to ensure that personal information of stakeholders is handled in a confidential and professional manner when dealing with stakeholders in an ICT environment

Some of the courses on the list can be done completely online. However some of the courses require a practical component which can't be done online, or some may be a mix of online and face-to-face learning. We'll let you know what's required for your course. For a full list of online courses, please use the filters under the *Refine course results* menu.

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

**North
Metropolitan**

*We're working for
Western Australia.*

Please note, fees are subject to change.
