

# Enrolled Nurse Acute Care Skill Set

State ID: EAC04

## About this course

### Progress your career as an Enrolled Nurse with this Acute Care Skill Set

North Metropolitan TAFE is offering a set of **Advanced Skill Sets for Enrolled Nurses**.

If you are an **Enrolled Nurse who holds current registration** and you are working in or looking to work in an **acute care setting**, this skill set will enable you to take on more responsibility within your scope of practice.

Gain these skills:

- Provide advanced nursing care to a person with respiratory impairment
- Perform complex nursing interventions in the cardiovascular healthcare setting
- Perform complex interventions to a person with diabetes including a person with ketoacidosis

This skill set is related to the Skills Ready program. Other skill sets can be found on our [Courses](#) page, using the *Refine course results*>*Study mode* filters.

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

## Continuous enrolment, 2020

### Mount Lawley - On Campus

Duration: **1 Semester/s**

When: **Continuous enrolment**

How: **On campus**

## Units

---

### Core

National ID	Unit Title
HLTENN023	Apply nursing practice in the respiratory care setting
HLTENN024	Apply nursing practice in the cardiovascular care setting
HLTENN025	Implement and monitor care for a person with diabetes

## Important information

Entry to this qualification is open to individuals who are currently

- working in Australia as an enrolled nurse and
- hold current registration as an enrolled nurse without notation with the Nursing and Midwifery Board of Australia [www.nursingmidwiferyboard.gov.au](http://www.nursingmidwiferyboard.gov.au)

This skill set will be delivered via a mix of online, skills sessions and assessment in the workplace.

## Fees and charges

### Local full time students

Course fees are made up of two components, tuition fees and resource fees.

**Tuition fees** are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

**Resource fees** are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

### International Students

Check [TAFE International WA](http://TAFE International WA) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

**North  
Metropolitan**

*We're working for  
Western Australia.*

**Please note, fees are subject to change.**
