

Ceramics - Kiln Management Skill Set

State ID: EAC22

About this course

Learn the art of kiln management, firing and Raku

Whether you are a ceramicist or potter looking to explore and experiment, or an art teacher/technician wanting to complete some professional development in a **ceramics studio environment**, this skill set will extend the scope of your current techniques and help you ensure safe creative practice.

NMT is the only higher learning institution with formal qualifications in ceramics in WA. We have dedicated facilities and **world-renowned ceramicists as lecturers**.

You will cover the **safety aspects and management of using a kiln**, as well as **firing** and **Raku** training.

Important information

Delivery

Classes will run for three hours, one day a week, for 18 weeks.

Typical timetable

5:00pm - 8:00pm on a week night

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used

by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
