

BKSB Support Skill Set

State ID: EAC37

About this course

BKSB® is a Commonwealth approved online assessment tool that provides an overview of your learning strengths and determines your English and mathematics levels.

This assessment tool, the BKSB (Basic Key Skills Builder) test is used for **entrance into competitive courses** like North Metropolitan TAFE's [Diploma of Nursing](#) and [Diploma of Anaesthetic Technology](#).

It is also used to **determine suitability for a VET Student Loan** to assist with paying for study in Diploma and Advanced Diploma courses.

To gain entry into the Diploma of Nursing or the Diploma of Anaesthetic Technology, you will need to **achieve Exit level 3 (working at level 4)** scores or higher.

Our BKSB Support Skill Set provides you with the opportunity to develop your skills and **prepare for the BKSB assessment**.

You'll be able to learn and practice the required skills before sitting for the test.

This skill set will provide:

- weekly online classes to practice, participate in tutorials and ask questions
- access to maths and English practice tests
- access to learner guides and other resources
- access to online systems to extend practice

Classes are fully online, from 4 - 6pm each Tuesday during the semester.

Students can start any time, may attend between 1 and 40 of these sessions as required, or may use the resources to complete personal preparation.

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

Semester 2, 2020

Mount Lawley - Online

-  Duration: **1 Semester/s**
-  When: **Semester 2, 2020**
-  How: **Online**

Units

Core

National ID	Unit Title
GATPGS001A	Program Support 1

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.
