

CPC20712 Certificate II in Drainage

National ID: CPC20712 | State ID: J484

About this course

Does your career pipe dream involve laying real pipes?

You will gain the knowledge and skills to work effectively in the construction industry, **install drainage systems**, use **hand and power tools, oxy-acetylene and arc weld**, read plans, calculate quantities, concreting and rendering, and workplace health and safety.

Our Balga Campus is a major centre in WA for training in the building and construction industries, with purpose-built workshops, up-to-date equipment, and lecturers who maintain close links with industry.

LOWER FEES
LOCAL SKILLS

This course is part of the **Lower fees, local skills** initiative where you'll only pay half the course fees **from January until December 2021** capped at \$1,200; or \$400 if you're aged 15–24 or eligible for a concession. [Find out more](#)

Only course fees are half price. You may be required to pay other fees that apply to your course.

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

- 8:00am – 4:15pm Monday to Friday

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

International Students

Check [TAFE International WA](#) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

Please note, fees are subject to change.
