CHC30113 Certificate III in Early Childhood Education and Care

About this course

This qualification is part of the Lower fees, local skills program where you'll pay only half of the standard course fees.

Your gateway to a rewarding career in a growing industry

Early Childhood Education and Care is an expanding industry for those with a genuine interest and passion in the care and education of young children up to the age of 5 years. The childcare industry is demanding higher qualifications and training from educators in this field to ensure consistently high standards of education and care for children placed in these services. This can be achieved by completing the Certificate III in Early Childhood Education and Care.

You'll learn how to interact and foster the development of the children while working within legal requirements and ensuring the children's health and safety are not at risk.

As part of this qualification you will undertake a supervised work placement where you will be able to apply the skills and knowledge you have learned.

You will work closely with children from different backgrounds and cultures and provide care and support for them in various child care situations.

North Metropolitan TAFE is offering early childhood training to Aboriginal and Torres Strait Islander students and further information can be found on our Koolark Page.

Gain these skills

- First aid in an education and care setting
- Provide care for babies, toddlers and children
- Support the holistic development, play and learning of children in early childhood
- Use an approved learning framework and information about children to inform and guide practice
Is this course right for me?

Fees and charges

Local full time students

Course fees are made up of two components, tuition fees and resource fees.

Tuition fees are determined by multiplying the course fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction.

Resource fees are charges for material that are essential to a course or unit, and are purchased by NMT to be used by students during the course.

Fees may vary depending on the units you are enrolled in so an approximate amount has been shown. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units...
you are enrolled in.

Please note, you may also need to buy textbooks or equipment for your course.

**International Students**

Check [TAFE International WA](http://www.tafeinternational.wa.edu.au) to confirm this course is available to international students. You will pay your tuition fees to TIWA.

*Please note, fees are subject to change.*
