

SC-BBL-V1266 Bricklaying Handyman

State ID: SC-BBL-V1266

About this course

Ever wanted to come to grips with the basics of bricklaying?

Completing this course at North Metropolitan TAFE and you'll learn:

- about basic setting out
- how to mix mortar correctly
- the correct use of bricklaying tools
- how to cut bricks with hand tools
- levelling and spacing techniques
- bedding bricks in mortar
- correct joint spacing
- how to maintain face alignment and finishing brick joints evenly

You'll need protective eye glasses, gloves and protective shoes. Tools and materials will be supplied.

Please note classes will only run with sufficient numbers.
