

# Furniture Polishing Introduction Short Course

State ID: SC-BCB-V1415

## About this course

### Breathe new life into tired treasures

This course is for anyone who wants to fix up or **rejuvenate old or second hand furniture**. You'll learn how to effectively and safely use lacquers, putty and shellac to carry out antique restoration of old and used furniture.

### Gain these skills

- Rejuvenate furniture
- Fix scratches and dents in timber furniture
- Strip and re-finish old furniture
- Stain furniture correctly (one pot method/brush techniques/graining/effects)

## Details

### Semester 1, 2020

---

### Balga - Furniture Polishing Introduction Short Course

When: **Semester 1, 2020**

How: **On campus**

## Further study

If you have completed [Woodwork Introduction](#) you may bring your piece of furniture along to finish it in this course.

## Important information

You will need to supply your own Personal Protective Equipment (PPE) i.e. safety glasses, rubber mask, closed shoes, appropriate clothing.

You can bring in your own timber furniture project to work on. If not we can supply an item but we will retain it after completion of this short course.

## Fees and charges

\$440

**Please note, fees are subject to change.**
