

# Furniture Polishing Introduction Short Course

State ID: SC-BCB-V1415

## About this course

### Breathe new life into tired treasures

This course is for anyone who wants to **fix up** or **rejuvenate** old or second hand **furniture**. You'll learn how to effectively and safely use lacquers, putty and shellac to carry out antique restoration of old and used furniture.

You can bring in your own timber furniture project to work on. If you don't have a project we can supply an item for you to work on but we will retain it after completion of this short course.

### Gain these skills

- Rejuvenate furniture
- Fix scratches and dents in timber furniture
- Strip and re-finish old furniture
- Stain furniture correctly (one pot method/brush techniques/graining/effects)

## Details

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online learning, virtual classrooms (live web conferencing with your lecturer and class) and classroom delivery, as well as practical and work experience placements.

Lecturers will provide specific instructions to their student groups on how training will be undertaken.
