

Introduction Wall & Floor Tiling Handyman

State ID: SC-BTI-V1270

About this course

Learn the skills to get on with your tiling projects around the home

In this course you'll learn about ceramic tiles, hand tools and how to cut tiles. You'll also learn about different types of adhesive and how to lay tiles straight and level - and more.

Dress requirements

You are required to bring protective eye glasses, gloves and safety shoes as classes are held in a workshop.

Please note classes will only run with sufficient numbers.

Details

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online learning, virtual classrooms (live web conferencing with your lecturer and class) and classroom delivery, as well as practical and work experience placements.

Lecturers will provide specific instructions to their student groups on how training will be undertaken.
