

SC-MFM-V1234 Metal machining for beginners

State ID: SC-MFM-V1234

About this course

Gain practical skills in basic machining on lathes, milling machines and ancillary machines such as pedestal drills and grinders by doing North Metropolitan TAFE's Metal machining for beginners course.

You can bring in your own project to complete at our Midland campus workshop, discuss the suitability of your particular project with your lecturer.

Courses are run over five Tuesday evenings, for more information view [our flyer](#).

Fees \$550 (including GST)
