

SC-MFM-V1261 Foundry basic - Metal casting

State ID: SC-MFM-V1261

About this course

If you have always wanted to produce a sculpture, ornament or some other metal cast creation, North Metropolitan TAFE's Foundry basic short course will give you the skills to do just that.

The course will cover:

- Safe use of sand moulding and chemicals and equipment
- Basic metallurgy of cast metals
- Pattern tooling for sand moulds
- Sand moulding and casting essentials

Courses are run over six Wednesdays, for more information view [our flyer](#).

Fees \$505 (inc GST)
