

Welding For Beginners

State ID: SC-MHF-V1236

About this course

Get to grips with welding

Our Welding for Beginners short course will give you an introduction to welding, including safety and workshop procedures.

You'll get a handle on the use of welding equipment such as Gas Metal Arc Welding (**GMAW**), Manual Metal Arc Welding (**MMAW**), **oxy cutting** and **oxy welding** in our fully equipped Midland workshop. You'll learn the skills you need to complete **basic welding** and **gas cutting** tasks.

Dress requirements

You will be required to wear personal protective clothing at all times which include steel capped safety boots, clear safety glasses, long pants and cotton drill shirt.
