

Stick welding (MMAW)

State ID: SC-MHF-V1284

About this course

Come along to our Stick Welding course and learn professional techniques on steel

Learn how to use the manual metal arc welding (**MMAW**) process to manufacture and assemble your projects at home.

Begin by gaining the skills to **recognise hazards** and **use welding equipment safely** and learn about welding terminology and defects. You will receive **demonstrations** and **guidance** on correct technique and the opportunity to develop your MMAW skills over the duration of the course.

Dress requirements

You will be required to wear personal protective clothing/equipment at all times which includes steel capped safety boots, clear safety glasses, long drill cotton pants and cotton drill long sleeve shirt.
