

Supervisors - Construction Course

State ID: SC-PBC-V1299

About this course

Keen to take the lead in construction?

You'll gain the skills and knowledge needed to identify and assess a range of building and construction techniques, including concreting, brickwork, carpentry, electrical services, plumbing and drainage, tiling, ceiling fixing and painting. Once you successfully complete this short course running on Tuesday and Thursday evenings you'll receive a Certificate of Participation.

Dress requirements

You will need to have safety goggles, gloves and safety shoes but no previous experience is necessary. All tools and materials will be supplied.

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.
