

REVIT essentials for architecture

State ID: SC-PBC-V1312

About this course

Develop new skills in 3D modelling

This course will introduce you to Autodesk REVIT, a building modeller for architectural design and documentation in 3D and 2D. You will learn the concepts of 3 dimensional computer modelling and gain an understanding of the tools required for parametric building design and documentation using REVIT Architecture.

Gain these skills

After successfully completing this course you will be able to:

- Understand the benefits of 3 dimensional modelling
- Use the fundamental features of REVIT Architecture
- Use the parametric 3D design tools to design projects
- Create detailing and drafting views
- Create construction documentation
- Use the presentation tools for design visualization

This short course usually requires attendance on campus one day per week for four weeks but the May intake will be delivered online.

Some of the courses on the list can be done completely online. However some of the courses require a practical component which can't be done online, or some may be a mix of online and face-to-face learning. We'll let you know what's required for your course. For a full list of online courses, please use the filters under the *Refine course results* menu.

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.

Semester 2, 2020

Perth (Northbridge) - Online 31 July

 Duration: **6 Week/s**

 When: **Semester 2, 2020**

 How: **Online**

Units

Core

National ID	Unit Title
V1312	REVIT essentials for architecture
V1312	REVIT essentials for architecture

Important information

Following the success of our recent online course the next intake will be delivered online.

It is recommended that students participating in the online class have dual screens.

Duration

6 weeks

Time

Term 1 9.00am - 1.00pm

Term 2 9.00am - 1.00pm

Fees \$650
