

InDesign Introduction Short Course

State ID: SC-PIN-V1413

About this course

Bring together text and graphics with InDesign - the industry-standard publishing software

Learn the skills you need to **develop and design creative promotional material** such as flyers, posters and brochures with this introductory InDesign course.

You'll cover the basics such as:

- Creating documents
- Presets
- Styles
- Swatches
- Packaging
- Printing

You'll also go over master pages, templates, document management, workflow, tables, interfacing with spreadsheets, forms and interactive buttons amongst other InDesign essentials.

You will need to bring along a thumb drive (2GB will be fine) for this course.
