

SC-PJE-V0322 Jewellery advanced studio

State ID: SC-PJE-V0322

About this course

Develop your own projects in our facilities

Jewellery Advanced Studio is a **practical studio-based course** for experienced practitioners of silver and metal jewellery making. This course is great for participants who have completed Silver Jewellery Beginner and Silver Jewellery Intermediate courses or already possess sound workshop practices and metal jewellery skills such as soldering.

Depending on your skills you will have the choice to participate in structured classes or work on your own projects under the supervision of an experienced jewellery tutor.

Course outline

Topics covered in the course may include:

- Basic jewellery techniques
- Casting
- Stone setting
- Decorating metal surfaces
- Chains with handmade hooks
- Hooks & catches

Dress Requirements

- Participants must wear enclosed shoes e.g. sneakers or leather type shoes
- Long hair must be tied back and any long accessories must be removed when working on the machines

You will need to bring your own metals and materials.
