Library Essential Skills

State ID: SC-PLB-V1393

About this course

A comprehensive foundation

This course will introduce you to the essentials of working in a library. You'll gain skills in communication and customer service, searching databases, as well as basic IT troubleshooting and staging public activities and events. There is a combination of online and face-to-face delivery.

Our course lecturer has over 30 years industry experience across a broad range of organisations.

Gain these skills

- Communication and customer service - identify needs and priorities of customers, communicate with the customer and respond to customer feedback and complaints.
- Database and search engine searching - review a range of databases, and develop the skills necessary to formulate effective search strategies.
- Basic IT troubleshooting - covers client information and communications technology problems.
- Team work and workplace training - working with others, and learn workplace training techniques.
- Staging public activities and events - develop a program of events, and produce a project plan and run sheet.
- Library information literacy - includes independent learning and keeping up to date within the library industry.
