Library Essential Skills
State ID: SC-PLB-V1393

About this course
A comprehensive foundation

This course will introduce you to the esssentials of working in a library. You'll gain skills in communication and customer service, searching databases, as well as basic IT troubleshooting and staging public activities and events. There is a combination of online and face-to-face delivery.

Our course lecturer has over 30 years industry experience across a broad range of organisations.

Gain these skills

- Communication and customer service - identify needs and priorities of customers, communicate with the customer and respond to customer feedback and complaints.
- Database and search engine searching - review a range of databases, and develop the skills necessary to formulate effective search strategies.
- Basic IT troubleshooting - covers client information and communications technology problems.
- Team work and workplace training - working with others, and learn workplace training techniques.
- Staging public activities and events - develop a program of events, and produce a project plan and run sheet.
- Library information literacy - includes independent learning and keeping up to date within the library industry

Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey. This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a combination of these, depending on which is most appropriate.
