

SC-PLS-C2046 French Beginners Stage 1

State ID: SC-PLS-C2046

About this course

FRENCH - La Langue Française

The French language is the **second most widely learned foreign language after English**, and the sixth most widely spoken in the world, being spoken over five continents. French is both a working language and an **official language of the UN, EU, UNESCO, NATO, IOC and the International Red Cross**.

As it is a Latin-based language, learning French will also open up the world of Romance languages: once you have mastered French, you will find it relatively easy to pick up Italian and Spanish as well.

Whether you want to learn French to **enhance your effectiveness at work** or **improve your job prospects**, to **make your business or holiday trip more fulfilling** or simply for the joy of learning about a new language and culture, we wish you enjoyment and "Bonne chance"!

If you are interested in studying a leisure short course please send an email to shortcourse@nmtafe.wa.edu.au with the course details.

Course content

We offer varied course levels, the content covered at each level is:
