State ID: SC-PLS-V0429

About this course

Continue on your Japanese journey

This courses will build on the language skills learnt in Japanese Beginners Stage 1. With more sister cities established in both countries, the demand for **Japanese language skills** in **business** and **hospitality** and **tourism** industries is increasing. In addition, **banking**, **finance** and **security companies** are rapidly increasing their requirements for Japanese and English speaking staff due to the restructuring of the economic system in Japan.

Whether you want to learn Japanese to **enhance your effectiveness at work**, to **make your holiday trip more fulfilling** or simply for the joy of learning about a new language and culture, we welcome you to our classes and wish you enjoyment and success.

Wherever possible, the course is tailored to meet the needs and interests of the group.
