About this course

Learn Japanese

Welcome to North Metropolitan TAFE's Japanese language and culture courses.

With more sister cities established in both countries, the demand for Japanese language skills in business and hospitality and tourism industries is increasing. In addition, banking, finance and security companies are rapidly increasing their requirements for Japanese and English speaking staff due to the restructuring of the economic system in Japan. Whether you want to learn Japanese to enhance your effectiveness at work, to make your holiday trip more fulfilling or simply for the joy of learning about a new language and culture, we welcome you to our classes and wish you enjoyment and success.
