State ID: SC-PLS-V1412

About this course

Continue on your Spanish pathway

This course is a direct **continuation of Beginners Stage 2**. Words and phrases learned are revised and extended to new situations, and more cultural information on the countries added. Wherever possible, the course is tailored to meet the needs and interests of the group.

Spanish is the second most widely spoken language in the world! There are over 20 countries where Spanish is the official language. And there are other countries in which it is widely spoken, including some of the Southern states of the US.

Whether you want to learn Spanish to enhance your effectiveness at work, to make your holiday trip more fulfilling or simply for the joy of learning about a new language and culture, we welcome you to our classes and wish you enjoyment and success.
